

PRESTIGE

PRO SOLAR LED STREET LANTERN

1200W

SOLAR LED STREET LANTERN

Product Features

- High Lumen 150lm/watt, CRI > 80
- Aluminium Die-cast Material
- Built-in Ic Technology
- Over Temperature Protection
- Filtered Waveform, Stable Voltage
- High System Efficiency
- Thin & Light Weight Size

Benefit

- Reduce Carbon Emissions with Renewable Energy.
- Work Even During Cloudy Days Or Nights.
- Suitable For Various Outdoor Locations.
- Minimal Upkeep Required.

Accessories included

Solar Panel Dimension

CHARGING TIME 6-8 HOURS

Model	Power (W)	Battery Capacity	CCT (K)	Size L x W x H (mm)	Beam Angle	Quantity of LED	LED Chips	Packing
PRESTIGE-PRO-1200SSL	1200W	3.2V 85000 mAh	6500	235 x 523 x 84	60x130°	336	SMD2835	1 PCS
