

High Impact PVC Conduit & Accessories

 **PVC MAN**
HEAVY DUTY

MEGAHOOK PIPES & PROFILE MFG. SDN. BHD.

Ever since its incorporation in 1996, Megahock Pipes & Profile Mfg. Sdn Bhd together with its subsidiary Feema Trading & Supplies, has undergone continuous progression and expansion in the field of PVC electrical wiring products despite the recent economic recessions. Craving for quality consistency has merged Megahock (Feema) to input million dollars of sophisticated machinery and testing equipment in the year 2003. Apart from these, the grant opening of our new factory with 3-acre land in March 2009 is another mark of the success of this company and its dedicated staff.

Megahock gain a reputable image in the domestic market and penetrate oversea markets with House brand FEEMA (LIGHT DUTY), FIGHTER (MEDIUM DUTY), PVCMAN (HEAVY DUTY), FOTON (JKR APPROVAL). As well as fulfill customer's specifications from foreign country, we provide OEM, Shipment & cargo arrangement services.

VISION

To be a renowned One-stop PVC electrical wiring products distribution centre with sustainable and profitable growth through reliable service, cost effectiveness and quality consistency.

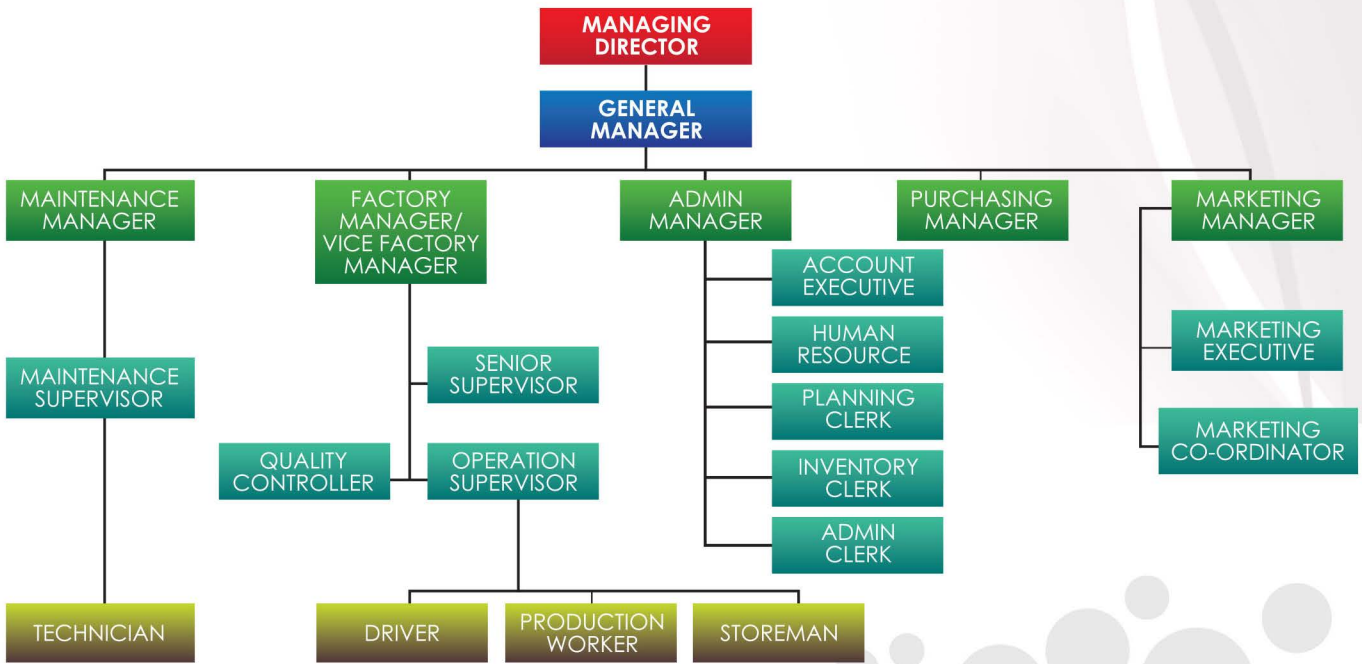

MISSION

To ensure are meticulously taken to continuously improve and maintain high quality product in the provision of efficiency, cost effectiveness and timely delivery for customer satisfaction. With constantly upgrade and enhance quality management system and technology for better quality to achieve .

STRENGTH OF PVC MAN uPVC CONDUIT

UNIQUE

1. PVC MAN is cost effective & easy fit into accessories.

Why We Choose

PVC MAN

HEAVY DUTY

2. PVC MAN forms a 90 degree with the aid of a bending spring.

3. PVC MAN is rigid, non-conducting pvc is immune to all type of corrosive such as chemical.

4. PVC MAN pipe is lightweight. It is easier to install, handle and delivery.

High impact uPVC Conduit is manufactured from specially formulated high impact polyvinyl chloride in strict accordance to meet the requirement of
