

Vivace

Style and Function

Style and Function

Vivace

The single most influential design movement of the modern age eloquently expressed

A slim, trim profile, pleasing to the eye, clean and refined, the Vivace is a switch and socket set that perfectly complements the modern lifestyle. Inspired by the simple, elegant minimalism of the supremely influential Bauhaus movement, every piece in this robustly constructed range expresses a pleasing form following function.

Unmarred by visible fastenings, the sleek clean lines of Vivace present a cool refined touch of style to almost any interior.

Bauhaus enlightened.

Item	Product Number	Product Description
Flush Switches		
	KB31/1	16AX 250V 1 Gang 1 Way Switch

About Schneider Electric

As the global specialist in energy management with operations in more than 100 countries, Schneider Electric offers integrated solutions across multiple market segments, including leadership positions in energy and infrastructure, industrial processes, building automation, and data centres/networks, as well as a broad presence in residential applications. Focused on making energy safe, reliable, and efficient, the company's 100,000+ employees achieved sales of more than 15.8 billion euros in 2009, through an active commitment to help individuals and organisations "Make the most of their energy".

The Installation Systems & Control Division of Schneider Electric provides solutions that represent the best in lifestyle and innovation for offices, hotels and homes. These solutions include award-winning products in the areas of building and home automation, structured cabling, and designer switches and sockets. They help the finest architectures around the world to achieve more with less.
