

D20 Series

A COMPLETE SYSTEM IN CIRCUIT PROTECTION

An **E**legant design made to
Perfection &
Style

White

D2013

Silver

D2021

Gold

D2031

Produced with the highest quality standard, the D20 series is designed for the premium market but yet affordable and economical for use in any type of buildings.

The D20 series have been type tested by SIRIM in compliance to the following standard.

Switches : MS IEC 60669-1 : 2004
Switches : MS 589-2-2011

The D20 series is designed with the unique 'clip-on' mechanism to allow easy replacement of common outer parts such as the dolly buttons, socket plates & the outer frame. Replacement of such parts can be performed by anyone with minimum risk of exposure to live parts.
